

INVESTMENT OPPORTUNITY: OPERATION IRONSIDE

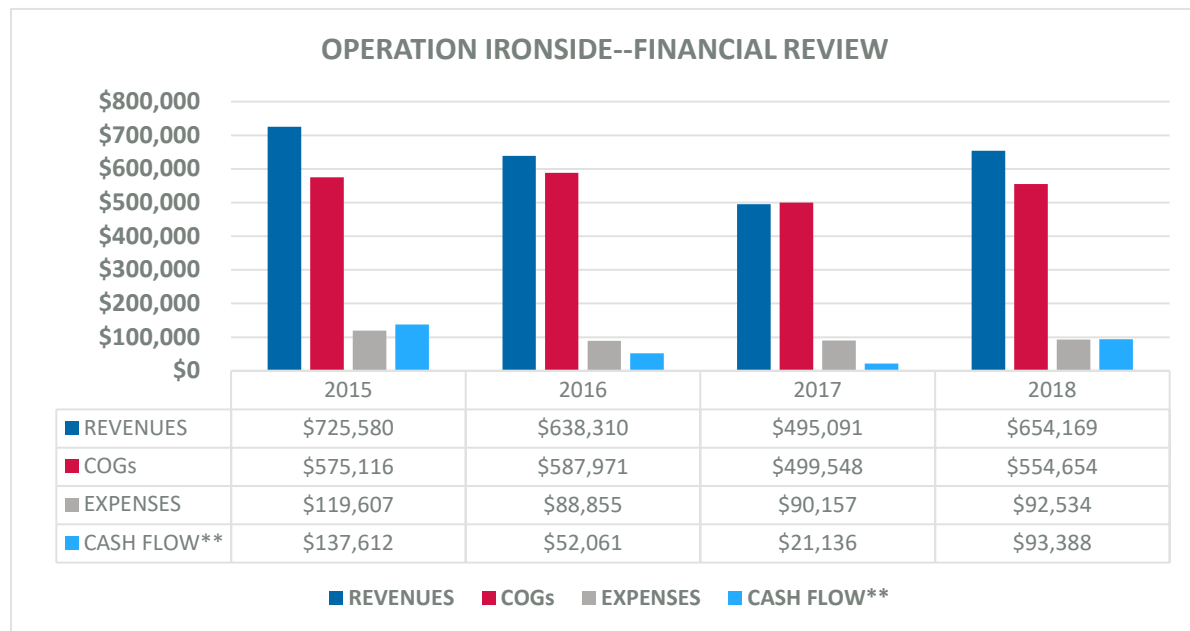

This Midwest iron works manufacturer has provided quality castings with quick turnaround for its industrial customers for more than 40 years.

Business Overview

Starting with a small, loyal base of customers, IRONSIDE has grown to become a leading provider of gray iron castings in the Midwest and nationally. The company has built its reputation on quality solutions for its 40-plus customers from a wide range of industries including paper bag makers, cement mining and agriculture. The experienced IRONSIDE team and the shop's capacity allow for a lead time of six to eight weeks—almost half the time of many of the business' competition.

Investment Highlights

- Established company with strong, positive industry reputation and loyal customer base
- Consistent revenues & seller's discretionary earnings
- Plenty of leverage for a new owner with the addition of a sales and marketing plan
- Proven track record of completing jobs in less time than competitors
- Electric mill furnace with brand new coil in good condition; serviced yearly
- Real estate included in selling price

Exit Strategy: Retirement

Process: A Confidentiality Agreement and Buyer Financial Statement are required.
